Aye carumba! Bart's super hero, Krusty the Clown, is in really bad trouble. Rats have invaded his Fun House.

Is it "sayonara, Krustyland"? No way, man! Bart and Homer stand armed with the coolest rat traps ever...ever see a rat zapped with 20,000 volts or burst like a balloon?

WARNING KIDS: Do not try this at home. We don't advocate cruelty to real animals, only their cartoon equivalents.

MATT GROENWALD

All Krusty has to do is get the rats to the traps by moving blocks, connecting pipes, finding secret passageways, wrecking the floors and walls, and generally having a great time.

As for the slimy snakes slithering on the floors, the pink flying pigs bouncing around the sky, and the laser-firing aliens, Krusty'll show them some real fun with a barrage of custard pies.

So, before saw-toothed rodents ruin Bart's #1 fun house, and frankly outlandish creatures nail the man who put the "K" in komedy, play this game.

Krusty the Clown needs you...yes, you, you little...

THE FUN HOUSE

— IT'S BIG, MAN!

Krusty's Fun House consists of 5 sections, with up to 14 levels each. When you first enter, you are in the main hallway. Each of the doorways leads to 1 of the 5 sections. Within each section, each wooden door leads to a different level.

Note: You must complete all the levels in each section before the door to the next section will open.

You can play the levels in a section in any order you want. However, there are some levels which are either blocked off or are down secret passages totally hidden from view. These can only be accessed by kicking a Magic Bonus Block which has to be found within another level.

MATT GROTHING

To enter a door or doorway — move in front of it and press the UP CONTROL PAD ARROW.

When you complete a level (by getting the rats to the trap and safely returning to the door), you will automatically come back to the section hallway from which you started. You

know you have completed the level if the door has a silver padlock.

There is ONE door in the hall which is always locked with a golden padlock. To open this door you must complete all the other levels. This special level has no rats. All you have to do is find the Magic Block which opens the grate in the Hall, allowing you out into the Main Hall so you can progress to the next section.

Once you have finished all the bonus levels, return to the section doorway and press the UP CONTROL PAD ARROW. You will automatically return to the main hallway with the way to the next section now open.

RAT TRAPPING

...GO FOR IT, KRUSTY!

Every level of the Fun House is infested with rats. Fortunately, though, on every level is one rat-decimating trap. Operating the traps are Krusty's most loyal followers, like Bart and virtual strangers, like Homer.

The challenge for Krusty is to get the rats into the traps. Not only are the pesky fur balls unable to climb anything more than a block high, they also get flung about by high powered blowers, fall into pipes, and drop through holes in the floor.

So, the only way to ensure a rat-free Fun House is to find items that help the rats over obstacles, through pipes, across holes, and safely to their total elimination.

Blocks, Super Springs, Blowers, Pipe Sections, and Glass Jars can be used to cover holes, blowers, or pipe entrances and as a step up for rats and Krusty. (See KRUSTY'S KRUSTYLAND FUN HOUSE GUIDE on page 18-21.)

To pick up any Item — move onto the item and press the DOWN CONTROL PAD ARROW.

To drop any ITEM — press the DOWN CONTROL PAD ARROW.

Note:

- Not all items can be picked-up.
- You can only hold 1 Item at a time.
- All items can be stacked one on top of another or corner to corner to create a staircase.

You can always tell which item you have, because it is shown on the item indicator at the top of the screen.

Once you have gotten the rats to the trap, get back to the door you entered to complete the level.

Note: Before leaving the level you might want to spend some time looking for Magic Blocks that might open secret passages.

MAGIC BONUS BLOCKS

To help you get the rats to the traps, increase your energy and points, Magic Bonus Blocks are scattered throughout the Fun House.

To obtain the bonus — stand facing the block and kick it by pressing the A BUTTON.

Once kicked, the block will disappear and a bonus will briefly flash on the screen. (See KRUSTY'S KRUSTYLAND FUN HOUSE GUIDE on page 18-21.)

SUPERBALL BONUS

Certain walls that lead to passages, block your path, or block the rats' path are made of Crumbling Blocks. You can remove them by stepping on them, or by hitting them with one or more SuperBalls.

To throw a SuperBall — press the A BUTTON.

Note: You can only throw a SuperBall after you get a SuperBall bonus.

SECRET PASSAGE BONUSES

Some Magic Bonus Blocks, when kicked, explode and don't leave a bonus item. These are Secret Passage Bonuses. *Some-where*, either in the level you are currently on or in the section hall, access to a new passage or a door leading to a bonus room will appear. Inside may be more Magic Bonuses or Items vital to getting the rats to the traps.

When you enter a bonus room you must collect all the tokens before the bonus room magic runs out and you are returned to the level. If you don't collect all the tokens you will be teleported back to the portal you came in through. If you collect all the tokens you will get a Krusty Doll, which gives you a bonus life, and on some levels you may also be teleported out to an otherwise inaccessible part of the level.

MAKING A CLOWN OUT OF KRUSTY... ENEMIES

Not only is the Fun House overrun with rats, there's also a whole bunch of weird creatures intent on pushing Krusty's pacemaker to the limit. If they hit him enough, Krusty tires, finally collapses exhausted, and you lose a life and must re-start the level. If you lose all your lives, the game is over.

To deal with these trouble making pests — you begin the game with 10 custard pies.

To throw a pie — press the A BUTTON.

The number of pies you have remaining is shown at the top of the screen.

ENEMIES:

Enemy Point Values:

Section 1	100
Section 2,3	500
Section 4,5	1000

Pink Flying Pigs — Drift around the air trying to sit on you.

Giant Goofy Birds — Fly around pecking at you.

Venom Vipers — Slither along the ground spitting poisonous Venom Balls.

LaserAliens — Walk around shooting high-powered laser beams.

Note: Krusty's heart doesn't just take a pounding from enemies. Fall more than 2 screens length, and you're pretty much history.

PASSWORD...

THE FUN KEEPS GOING

Successfully finish a section of the Fun House and you will see a password. Copy it down carefully. It allows you to re-start the game at another time from the end of the last section completed.

To use your password, load the game pak as described in GETTING STARTED on page 4. When you see the KRUSTY'S SUPER

FUN HOUSE title screen, press start to go to the password entry screen.

To enter your password — using the LEFT/RIGHT CONTROL PAD ARROWS choose the letter you wish to change, then push up/down to change each letter. Press start when the password is complete.

TIPS

- Use the Blocks, Super Springs, Blowers and other Items to help you jump higher. Often the first Item you find may be there just to help you reach other Items.
- Get right next to Items and Magic Bonus Blocks that must be kicked. Pressing the A BUTTON will throw a custard pie or a SuperBall.
- The rats can get separated. Make sure you get *all* of them to the trap.
- It's a close call, but in athletic prowess even Homer has the edge on Krusty. However, speed is the key on levels where you may have to use the same item more than once to round up the rats.

CHAOS IN KRUSTYLAND

Krusty the Clown is in worse trouble than ever before — except maybe when he was headed for the slammer, or that time he broke his poor father's heart — and you're his only hope. Get rid of the rats. Sling some pies. Find the secret passages. Save Springfield's premier tourist attraction. Or it's goodbye, Krusty. So long Krustyland... and no chance to see a rat turned to goop in the neatest, grossest rat traps ever.
